American I – Exploration and Conquest **Map**

1. Use the provided map to complete the following:

- Identify and label England, France, Spain and Portugal.
- Identify and label Africa.
- Create a key assigning a color to each country.
- Identify colonial territories in the Americas and lightly shade those areas in the same color as the European power which conquered it.

2. Select a new color and trace the pattern of the Columbian Exchange.

- Add the Columbian Exchange to your key.
- Identify *at least* four items that were traded in both directions.

3. Select a new color and trace the pattern of the Triangle Trade.

- Add the Triangle Trade to your key.
- Identify the items that were traded along these routes.

4. Identify and label the following Native American tribes/empires:

- Inca
- Aztec
- Iroquois
- Seminole
- Cherokee
- Powhatan

5. Label Jamestown and Plymouth.
